

BEACH TRAVELLER . . . Palos Verdes real estate man Alvin Grancell, on month's visit to Israel and Europe, inspects new Anna Grancell Rose Garden named for his mother, who gave it to Hadassah-Hebrew University Medical Center near Jerusalem, along with a Chagall chapel window, a dermatology treatment room, and other philanthropies made through her organization, the Los Angeles Chapter of Hadassah. Mrs. Grancell and her late husband, Isaac, were founders of Temple Menorah, Redondo Beach, 22 years ago.

AWOL Marine Ordered Held for Grand Jury

A 22-year-old Torrance marine, reportedly AWOL from Camp Lejeune, N.C., has been bound over for the October sitting of the Hampshire County (Mass.) Grand Jury.

Chester D. Sewell, accused of a July 31 robbery which netted \$4,800, was held in lieu of \$50,000 bail after a hearing in the Northampton, Mass., District Court. During the hearing, Sewell denied charges of robbery and kidnapping.

Three witnesses, including a teller reportedly kidnapped by Sewell during the robbery, identified Sewell during the hearing.

District Attorney Oscar Grife of Northampton told the court Sewell entered the Haydenville, Mass., Savings Bank last July 31 and forced Mrs. Marjorie Bousquet to hand over money from her till. He then forced the woman to drive him out of the Massachusetts town.

Sewell reportedly attempted to lock Mrs. Bousquet in the trunk of her car, but was unable to close the latch. He then fled on foot, apparently, police said, to his own car which was parked nearby.

City Gets \$49,000 in Tax Funds

SACRAMENTO — Distribution of more than \$6 million as the August apportionment of the cigarette tax to counties and cities in the state has been announced by State Controller Houston I. Flournoy.

Representing 30 per cent of the revenue deposited in the cigarette tax fund during July, 1968, Los Angeles County's share was \$154,899.58, while Torrance's share amounted to \$49,153.20.

The apportionment was made in accordance with a new formula which became effective July 12. Under the new formula, 50 per cent of the cities' share was apportioned by local sales tax ratio and 50 per cent by a population ratio.
